EQUALITY AND DIVERSITY STATEMENT

Brookfield School is committed to the fair treatment of all in line with the Equality Act 2010. An equality impact assessment has been completed on this policy to ensure that it can be implemented consistently regardless of any protected characteristics and all will be treated with dignity and respect.

POLICY REVIEW

To ensure that this policy is relevant and up to date, comments and suggestions for additions or amendments are sought from users of this document. To contribute towards the process of review, please contact the author of the policy.

BROOKFIELD SCHOOL WHOLE SCHOOL ATTENDANCE POLICY

Rationale:

At Brookfield School we recognise that attending school regularly has a positive impact on learning, progress and therefore the best life chances for children. We will encourage good attendance for all pupils, by offering an environment in which pupils feel valued and part of the school community.

Department for Education (DfE) guidance states that all schools should have effective systems and procedures for encouraging regular school attendance and investigating the underlying causes of poor attendance which should be set out in an attendance policy. These systems should be reviewed regularly and modified where necessary to reflect the circumstances of the school.

Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without good reason creates an offence in law and may result in prosecution.

Aims

We will

- Promote a culture across the school which identifies the importance of regular and punctual attendance.
- Make attendance and punctuality a priority for all those associated with the school; including pupils, parents, teachers and governors.
- Further develop positive and consistent communication between home and school.
- Set targets to improve individual, vulnerable group and whole school attendance levels.

Rights, Roles and Responsibilities

We will develop a procedural framework which defines agreed roles and responsibilities for

- Parents and carers
- Pupils
- School staff
- Governors

to complement this policy, and identify how we will deliver our aims in respect of regular and punctual attendance.

This procedural framework will include guidance on

- Registration
- Punctuality
- What constitutes unauthorised absence
- Leave of absence

- Systems for monitoring attendance and punctuality for individual pupils
- Systems for dealing with absence
- Criteria and systems for referral to and working with the Pupil Attendance Support Team and School Attendance Consultant
- Systems for monitoring whole school attendance and action planning
- Appropriate alternative curricular arrangements

Leave of Absence

Following the September 2013 amendment to The Education (Pupil Registration) (England) Regulations 2006, schools cannot authorise any leave other than in exceptional circumstances. In Brookfield School the Headteacher is the person authorised by the governing body, to make this decision. If the leave is being requested for a holiday, approval should be obtained prior to making any bookings.

Leave of absence **is unlikely to** be granted unless:

- a request for leave has been made in advance, by a parent with whom the pupil normally resides, and
- the Headteacher considers that leave of absence should be granted due to the **EXCEPTIONAL CIRCUMSTANCES** relating to the request.

Additional information regarding leave of absence is included with the procedural framework.

Religious Absence

The school will authorise one day of absence per religious festival, e.g. Eid, (i.e. the day set aside by the religious body of which the parent is a member) and this will be marked as 'R' in the register.

Parents must request any additional leave in advance and this can only be authorised if it is felt that exceptional circumstances apply (this would be marked in the register as 'C').

Use of Penalty Notices/Legal Interventions

In accordance with the current Lancashire code of conduct, Brookfield School may request that the local authority issue penalty notices in respect of unauthorised absence. This includes leave of absence which is taken without a prior request being made; and leave taken after a prior request has been made and parents have been informed that the period of absence would be classed as unauthorised but the leave is taken regardless of this advice. Brookfield School may also request that the local authority issue a penalty notice for days taken in excess of the agreed period of leave; without good reason. Parents also risk losing their child's school place if they do not return from leave, as agreed, and readmission cannot be guaranteed.

Partnership Working

Brookfield School will work with the Pupil Attendance Support Team, the School Attendance Consultant and other support agencies as appropriate to ensure regular attendance at school. The criteria for referral and areas of responsibility for staff will be set out in the procedural framework.

Monitoring, Analysis, Action Planning

Brookfield School will use electronic systems (SIMS and Inventory) for monitoring attendance at both individual pupil, groups of pupils and whole school level. We will analyse patterns and trends of non-attendance to inform future action planning and target setting in respect of whole school attendance matters.

First Day Response

Where parents cannot be contacted about a child's absence, consideration will be given to a home visit, referral to Children's Social Care or the Police to establish the safety and wellbeing of the child. For some vulnerable children, a home visit may be undertaken even in the event that a parent provides a reason for absence.

Safeguarding:

We recognise that there is a link between low attendance and safeguarding issues. Children with low attendance are more vulnerable to exploitation and abuse. We therefore strive to ensure that every child has good attendance and punctuality at school in order to reduce the vulnerability. Consideration will be given to supporting children and families where attendance or punctuality is a concern. This may be done through the CAF Process or referral to statutory services such as Children's Social Care.

Children Missing from Education

We are aware that children who go missing from school, particularly repeatedly, can act as a vital warning sign of a range of safeguarding risks, including abuse and neglect, which may include sexual abuse or exploitation; child criminal exploitation; mental health problems; substance abuse and other issues. Early intervention is necessary to identify the existence of any underlying safeguarding risk and to help prevent the risks of them going missing in future.

We therefore:

- Endeavour to obtain and retain more than one emergency contact for each child
 - Monitor attendance regularly, particularly for those children who are deemed vulnerable
 - Offer Early Help to those children and families where attendance is an issue
 - Follow Local Authority Guidance on reporting Children Missing Education (further details in the Attendance Policy)
 - Take quick and appropriate action when a child does not attend school without an appropriate reason which may include home visits and other actions outlined in the Attendance Policy.
 - Understand that lateness can also be an indicator of vulnerability, abuse or neglect and so take appropriate action when punctuality to school or lessons is a concern.
- ALL staff and volunteers follow school procedures when a child misses education particularly on repeat occasions to help identify the risk of abuse and neglect and share with the school's designated Safeguarding Leads

- The school **Attendance Policy** is up to date, reviewed annually and includes reference to CME
- The school **Safeguarding and Child Protection Policy** is up to date, reviewed annually and includes reference to CME
- There is an admissions policy and an attendance register
- KCSiE 2020 recommends that the Local Authority should be informed of any pupil who fails to attend school regularly, or has been absent without the schools permission for a continuous period of 10 school days or more. At Brookfield, this would happen when all other avenues had been explored and the 'Tiered Approach' has been followed, unless serious safeguarding concerns were raised.
- A list of names of pupils with attendance under 90% each term is submitted to the authority for discussion with Attendance Officer.
- **where reasonably possible** schools and colleges should hold more than one emergency contact number for their pupils and students.
- All staff will be aware that children going missing from education can be a warning sign of safeguarding considerations and act on these in line with the policy.

Persistent Absence

The **minimum** attendance level which is expected at our school is 95%. It is when attendance falls below this level that school will consider whether it is appropriate to offer support in order to improve the situation. Both local and central government pay particular attention to reducing the number of pupils who fall into the persistent absence category (PA). A pupil is on track to becoming a persistent absentee when their attendance falls to 90% or below at any point during the school year; whether the absences are authorised or unauthorised. When attendance nears this level children miss significant amounts of schooling; meaning that their educational progress is put at risk. We need parents' full support in ensuring that attendance does not reach this level. However, if for any reason a child's attendance does fall into this category parents will be asked to do all they can improve the situation.

Families will be supported in this via school's robust systems for managing PA. This support may involve the need for parents, and children of an appropriate age, to agree to a parenting contract. Due to the seriousness of PA status it is highly likely that such cases will be referred to a local authority attendance team (Pupil Attendance Support Team). Furthermore, absence data for individual pupils who are classed as persistent absentees are reported to the Department for Education; along with whole school absence figures.

There are a small number of pupils attending school for whom EHCP document a lower attendance level in school as acceptable. These pupils are monitored in the same way as other pupils to ensure that their attendance levels are where they should be.

Monitoring the Attendance of Pupils Who Are Educated Off Site

The attendance of all pupils who are educated off site, or those who are dual registered, will be monitored daily to ensure safeguarding in accordance with the procedures outlined within the framework; this is agreed with external providers as appropriate

Monitoring and Tracking Attendance – Tiered Approach

Tier	Action	Implementation	Outcome
Wave 1	Daily Monitoring	<p>Paper registers completed by tutors. SIMS registers completed by admin staff.</p> <p>Any unauthorised absence recorded by 9.30am at latest. Office staff make phone call to absent pupils' parent/carer to query absence. If no answer, message left.</p> <p>At 10.00am Attendance Lead will check registers. <i>If staffing allows</i> key staff may attend the homes of absent pupils with the intention of bringing them into school and/or investigating/identifying barriers to attendance.</p>	<p>Statutory requirements fulfilled. Office staff log and monitor, detailed records on CPOMs.</p> <p>By staff attending homes, pupils and carers see the importance of regular attendance, and where possible bring pupils in improving whole school attendance</p>
Wave 2: Pupil is absent without explanation (3 rd day)	Letter home	<p>Letter querying absence and advising parents of low attendance. (Pupils whose attendance falls below 90% are classed as being Persistently Absent (September 2015) and are in danger of significantly underachieving.)</p>	Parents/Carers asked to monitor and advise school.
Repeated absence 2 nd	Letter Home	Letter advising parents of attendance concerns and to inform of intention to refer to the Local Authority Attendance officer if improvements are not seen.	SLT engage with parents in creating Action Plan. Parents forewarned of PAST involvement.
Repeated absence 3 rd	PDSI Meeting	Parents asked to attend meeting with PDSI Team member and/or SLT. Targets set and Action Plan put in place (3 weeks).	Consideration Early Help through CAF process offered to support the family.
Wave 3: Targets not met/ Action plan failed	PAST referral	Referral to PAST team (the Local Authority Attendance officer) for engagement with family. PAST team will share all actions and meeting minutes with school.	Local Authority engaged with persistent non-attenders and supporting school actions.
Wave 4:	Alternatives to current provision	Where PAST team involvement has not been able to come to successful resolution, school and the Local Authority will explore alternative educational provision through individualised timetable, work placements, off site tutoring.	School have attempted to support struggling families through all areas of provision and early help, meeting care as well as educational needs
Wave 5:	Legal Action	Where all previous interventions have failed the local authority may have no other choice but to explore legal sanctions against parents and carers.	Parents/carers held account for the responsibility for ensuring attendance.

Review of Whole School Attendance Policy

Brookfield School will review this policy and the associated procedural framework annually.

Last review date: September 2021

Next review date: September 2022

WHOLE SCHOOL ATTENDANCE POLICY PROCEDURAL FRAMEWORK

This document forms part of Brookfield School's whole school attendance policy. It sets out the rights, roles and responsibilities for parents/carers, pupils, school staff and governors; and the systems and procedures in place to identify how the school will deliver its aims in respect of regular and punctual attendance. It will be reviewed annually.

Rights, Roles and Responsibilities

Brookfield School believes that it is important that parents and carers, pupils, school staff and governors all work in partnership to encourage good attendance for all pupils. The following is a summary of the rights, roles and responsibilities for individual groups of stakeholders.

Parents and Carers

- Ensure the child(ren) in their care attend school regularly and punctually
- If the child(ren) is/are absent to inform the school office or class teacher on the first day of absence and provide a reason for the absence
- If the child(ren) is/are absent for more than one day, to inform the school office of the continued absence and update as to the reason for the absence regularly
- Ensure that school have up to date contact details and at least one emergency contact who can be contacted in the event that parents are unavailable
- To avoid leave in term time wherever possible. Where this is not thought possible, contact the school as soon as possible prior to the first proposed day of absence to request authorisation and prior to making any financial commitment
- To advise the school, by contacting the school office, immediately if they become aware of problems with attendance
- To co-operate with the school in promoting and improving attendance e.g. attending meetings, participation in parenting contracts and supporting the school in agreed intervention/action plans
- Adhere to systems for late registration, signing out and signing in

Pupils

- Attend school regularly and punctually
- Adhere to systems for late registration, signing out and signing in
- Acknowledge behaviour needed out of school to ensure good attendance e.g. early bedtimes and getting uniforms ready the night before

School Staff

The Headteacher has overall responsibility for ensuring that there are appropriate and efficient systems in place to promote and support the school attendance policy, that these are adhered to and training is given where appropriate. The Headteacher is also responsible for liaison with individual families, the School Attendance Consultant and the Pupil Attendance Support Team (PAST) to ensure appropriate support is given where attendance concerns are identified and for liaison with the local authority and DfE to ensure that the school conforms to all statutory requirements in respect of attendance.

However, Brookfield School believes that all staff have responsibilities and a role to play in promoting good attendance by:

- Providing a welcoming atmosphere for children
- Providing a safe learning environment
- Ensuring an appropriate and responsive curriculum
- Providing a sympathetic response to any pupil's concerns
- Being aware of factors that can contribute to non-attendance
- Being aware of the role all staff can play in ensuring attendance is seen as important for all pupils and parents
- Adherence to the systems and procedures in place within school to promote good attendance and highlighting any concerns to the Headteacher
- Participation in training regarding school systems and procedures
- Willingness to communicate with children and parents about attendance
- Completion of the attendance registers in accordance with the legislation and under the direction of the Headteacher

Some staff will have specific individual responsibilities to support the attendance policy and these are outlined in the procedures section of this framework.

Governors

- Ensure compliance with The Education (Pupil Registration) (England) Regulations 2006, as amended
- Adopt an attendance policy and review it annually
- Agree targets for attendance at Brookfield School
- Ensure that they receive reports from the Headteacher regarding school attendance and persistent absence as part of the school monitoring or school profiling exercise
- Where the school is not meeting its attendance targets, or when the governors believe there is cause for concern, to require a review of the systems and procedures in place to promote good attendance
- To promote the strong link between attendance and educational attainment to parents and pupils where appropriate and ensure that the school attendance policy and procedures are communicated effectively
- Authorise the Headteacher (or other designated person) to consider and make decisions regarding leave of absence requests
- Work with the Headteacher in establishing criteria against which leave requests will be considered. This is important to ensure the process is equitable and consistent

Procedures

Registration

Morning Registration is between 08.40am and 9.10am

Afternoon Registration is between 1.00pm and 1.30pm

Each class teacher or their nominated representative is responsible for marking children present or absent in the electronic register at morning and afternoon registration. The registers must be completed promptly to avoid discrepancies between classes. The class teacher must ensure that the marked register, plus any notes received regarding absence, is completed by 9.10am/ 1.30pm.

The **school office** is responsible for checking attendance on the electronic register and for inputting absence codes on a daily basis.

Late Registration

Pupils requiring admittance to school following registration periods must go to the main entrance of the site they attend and sign in.

The school office is responsible for maintaining the signing in/out system. This must contain details of name, class, time admitted/time released, reason for lateness/early departure. For health and safety reasons, after 9.10am/1.30pm an entry **MUST** be placed in the inventory signing in electronic system before a pupil is admitted or released.

In accordance with current guidance, the attendance registers are closed at 9.30am/1.30pm. This means that any pupil who arrives after the registration period (8.40 to 9.10am/1:00pm to 1:30pm) but before the registers are closed will be given a late mark (L) in the register. This code is classed as a present mark, but displays that the pupil arrived late for school. Any pupil who arrives after the registers have closed but before the end of the session will be given a "late after registers closed" mark (U) in the register. This code is classed as an unauthorised absence but displays that the pupil was physically present in school for part of the session.

In addition to using the L and U codes, office staff may also use the facility within the SIMS attendance module to record the number of minutes late for each pupil, on each occasion. This facility will allow school staff to monitor and manage developing patterns of lateness more effectively and make a clear link between lateness and missed curriculum; and share such information with parents.

The fact that the U code is classed as an unauthorised absence means that when it is used pupils are likely to be missing significant amounts of schooling; putting their educational progress at risk. For this reason the use of this code will be considered as serious as any other unauthorised absence and will attract the interest of external agencies, including referral to the local authority attendance team and consideration of the use of legal measures, in just the same way.

Authorised and Unauthorised Absence

In every instance it is the Headteacher who determines whether an absence is recorded as authorised or unauthorised. This decision is made based on information provided by parents/carers. However, because the register is a legal document, the Headteacher has responsibility to ensure that it is completed accurately and in accordance with the legislation. For this reason it is not sufficient for an absence to be recorded as authorised based entirely on information provided by parents/carers. Therefore, there may be occasions when it will be necessary for parents to provide evidence of reasons for absence before authorisation is granted. For example, in the case of absence due to illness or medical appointment, evidence may be requested in the form of: sight of a prescription, prescribed medication, a medical appointment card or similar.

The school office is responsible for maintaining records of reason and length of absence.

- Parents/Carers are required to contact the school office or class teacher on the first day of absence, advising of the reason for the absence and expected return date; if known
- Where information is provided to the class teacher they are responsible for passing this information to the school office
- Where a verbal message is taken by school office staff this should be noted in the register and the class teacher informed
- Where a written note is received by the class teacher this should be returned to the school office with the register
- Where the absence is for several days, the parent/carer is responsible for informing the school of the continued absence and updating them as to the reason for the absence on a regular basis
- Where no explanation for absence is provided, or the reason provided is unsatisfactory, the absence will be recorded as unauthorised and will be addressed with parents promptly
- Schools have a responsibility to report such absence to the local authority after a period of 10 school days, or sooner if appropriate
- The reason for absence should be linked directly to the pupil (e.g. illness or medical appointment of/for the child). Reasons for absence relating to parents or siblings may not be authorised

If a child is absent and no contact has been made by the family, the school office will contact the family on the first day of absence, as the registers close at 9.30am. If no contact is possible, the Deputy Head for PDSI should be informed and, in the case of prolonged or repeated absence without justification being given, the PDSI team will determine whether a referral to the Pupil Attendance Support Team should be made.

The Headteacher/PDSI lead is responsible for determining what is classed as authorised and what is classed as unauthorised absence.

Examples of authorised absence:

- Medical or dental appointments, which relate directly to the pupil and unavoidably fall during the school day (evidence may be required prior to authorisation)
- Illness of the pupil (evidence may be required prior to authorisation)
- Leave which has been authorised by the Headteacher due to exceptional circumstances

Examples of unauthorised absence:

- Parents/carers keeping children off school unnecessarily
- Truancy before or during the school day
- Absences which have never been properly explained
- Children who arrive at school after the register has closed
- Shopping, looking after other children or birthdays
- Day trips and leave in term time which have not been agreed
- Days that exceed the amount of leave agreed by the Headteacher

The school office is responsible for inputting the appropriate absence code on the electronic register. Where they are not certain whether an absence is authorised or not they should seek advice from the Headteacher.

Office staff may also use the comments facility within SIMS in order to log specific reasons for absence. This facility will allow school staff to monitor and manage developing patterns of absence more effectively and share such information with parents.

Children Missing from education

The Children Missing Education Team ensure the Local Authority fulfils its statutory duty under Education Act 1996/ Education & Inspections Act 2006 to make arrangements to enable them to identify children and young people in their area who are not registered pupils at a school, and are not receiving suitable education otherwise than at a school.

This is via notification to the team from schools, other agencies and members of the public of children who are, or who are at risk of becoming Children Missing Education.

A child missing education is defined as a child of compulsory school age who is not on a school roll and not receiving an education via other means – for example, via Elective Home Education or an alternative provider such as a college.

This includes but is not limited to situations where:

- A child/young person is on roll but has been excluded and no alternative provision is in place after 6 days
- A child/young person has not been attending school and a home visit reveals that the family may have moved away
- A child/young person has moved into the area but no arrangements have been made to access a new school
- A child/young person has moved out of the area (this includes moving outside of the UK) or is about to move out of the area but no arrangements have been made to access a new school
- A child/young person who has been offered a school place, but parents have refused the place offered and the authority is not aware of alternative arrangements for the child/young person's education

However, a child may still be at risk of missing education or missing out on education even if they are on a school roll and in such cases, these children may be brought to the attention of the Local Authority.

Signing Out

The school office is responsible for overseeing the procedure for releasing children where parents/carers have requested and been granted leave during the school day.

The child(ren) can only be released if it has been authorised by parent, carer/family member. When an authorised adult is picking up a child within school time the school office is responsible for ensuring that they (the authorised adult) sign the school electronic system inventory (see above for details of requirements). The school office is responsible for inputting the appropriate absence code on the electronic register SIMS, where appropriate.

When a child leaves the school site after the morning or afternoon register has been taken, the original mark must remain in the register and the inventory electronic system used to sign the child(ren) in/out should be referred to during an evacuation situation to ensure all pupils can be accounted for.

Leave of Absence

Following the September 2013 amendment to The Education (Pupil Registration) (England) Regulations 2006, schools cannot authorise any leave other than in exceptional circumstances. In Brookfield School the Headteacher is the person authorised by the 'proprietor' i.e. the governing body, to make this decision. If the leave is being requested for a holiday, approval should be obtained prior to making any bookings.

Leave of absence **is unlikely to be granted unless:**

- a request for leave has been made in advance, by a parent with whom the pupil normally resides, and
- the Headteacher considers that leave of absence should be granted due to the **EXCEPTIONAL CIRCUMSTANCES** relating to the request.

Additional Factors for Consideration

Pupils attend school for a maximum of 190 days each academic year. Regular attendance is vital for your child's educational progress. The local authority expects that all parents/carers ensure their children attend school whenever possible. Absence during school time is largely prohibited by regulation and hinders academic progress. Even in exceptional circumstances, the following factors may be taken into account when considering an application for leave:

- Will leave at this point in time be detrimental to the pupil's education?
- Will he/she miss any national tests or examinations?
- Is his/her attendance a cause for concern?
- Is the proposed absence during the month of September or any other transition period?
- Has he/she already had leave during term time this year?
- Did he/she have leave of absence during term time in the previous school year(s)?
- Does he/she have any absences which have been recorded as unauthorised this year?

If work commitments are stated as supporting evidence towards an exceptional reason for requesting leave, parents may be asked to provide employer details and any additional evidence which shows why leave cannot be taken during the school holidays

Parents/Carers who need to request leave during term time should complete an application form, available from the school office as soon as possible prior to the first proposed date of absence. Parents are asked to provide any relevant information regarding this request on the form if they believe the circumstances are exceptional. Information provided after a decision has been made may not be considered. The Headteacher will consider the request and advise in writing within 5 days whether the absence will be authorised or not. The Headteacher may request a meeting with parents before any period of leave is authorised.

Use of Penalty Notices

The school takes unauthorised absence seriously and, particularly in the case of repeated unauthorised absences, will undertake further liaison with the family, pupil, the School Attendance Consultant and the Pupil Attendance Support Team as appropriate. Furthermore, Brookfield School may request that the local authority issue penalty notices in respect of unauthorised absence. This includes leave which is taken without a prior request being made; and leave taken after a prior request has been made and parents have

been informed that the period of absence would be classed as unauthorised but the leave is taken regardless of this advice. Brookfield School may also request that the local authority issue a penalty notice for days taken in excess of the agreed period of leave, without good reason. Parents also risk losing their child's school place if they do not return from leave, as agreed, and readmission cannot be guaranteed.

The school office is responsible for recording leave requests in the electronic register and will retain copies of correspondence regarding requested leave of absence for 3 years. They will also be responsible for highlighting to the Headteacher if absence continues after the notified period. In this instance the Headteacher will undertake further liaison with the family, pupil, the School Attendance Consultant and the Pupil Attendance Support Team as appropriate and a Penalty Notice may be considered.

Monitoring, Analysis and Action Planning

The governors have determined that the Headteacher has overall responsibility for the monitoring, analysis and action planning of school attendance. The Headteacher is also responsible for ensuring that data is returned promptly to the local authority and DfE within deadlines. However, it is expected that the day to day implementation of this will largely rest with the class teachers who take the register and highlight causes of concern and the school office who are responsible for maintaining the school records on attendance and for highlighting causes for concern. This process will be overseen by the PDSI team.

The Deputy Headteacher (PDSI) will review the attendance records on a weekly basis to check that there are no outstanding causes for concern and that codes are being used consistently. In addition, the Deputy Headteacher (PDSI) will keep the Headteacher informed and address specific concerns as they arise.

The Headteacher is required to review this whole school attendance policy and procedural framework annually and to report on attendance matters to the governors termly. The governors will also review the attendance policy at least annually to ensure that it continues to meet the needs of the school.

If there is a trend of worsening attendance in a particular group of pupils, including pupils who belong to any vulnerable group, discussions should be held between the Headteacher and appropriate staff to agree action plans to reverse the trend. It should also be reported to the governors at the next full governor's meeting.

Brookfield School also uses whole school incentive and reward schemes in order to raise the profile of, and promote, good levels of attendance. These schemes will be reviewed and changed regularly in order to ensure that children remain interested and motivated.

Monitoring the Attendance of Pupils Who Are Educated Off Site

When pupils are **dual registered**, their registration status will acknowledge this. For sessions when a dual registered pupil is expected to attend Brookfield School the usual attendance procedures will be followed. When this pupil is expected to attend the other establishment our registers will display the D code (Dual Registration). As the **Main School** we retain responsibility for dual registered pupils. Therefore, the other establishment will be contacted regularly in order to ensure that this placement continues to be successful. When this is not the case, appropriate action will be taken. In cases where we are the **Subsidiary School** our normal first day absence procedures will be used and any concerns regarding attendance will be reported to the **Main School**. In addition, we will provide other information regarding attendance to the **Main School** on request.

When pupils are **Present at an Approved Off-Site Educationally Activity** school will decide which of the following codes is most suitable:

Code B – Educated off site

Code P – Supervised sporting activity

Code V – Educational visit or trip

The Headteacher is responsible for the pupil's education and wellbeing during these sessions. Therefore, before any of these codes are used school must ensure that the following criteria are met:

- ✓ The activity is broadly educational in nature
- ✓ it is suitable for the pupil's age and ability
- ✓ it will complement the pupil's curriculum
- ✓ it is taking place during the session for which the approved off-site educational activity code is being used and
- ✓ suitable supervision arrangements are in place; these will be demonstrated by the Risk Assessment form in place for the visit which will have been lodged on EVOLVE.

Criteria and Systems for Referral to and Working with the School Attendance Consultant and the Pupil Attendance Support Team

The Deputy Headteacher (PDSI) is responsible for ensuring consistent referral of regular or unjustified absence. The criteria for referral are outlined in the systems below:

A request for support will be made to the local authority attendance team (Pupil Attendance Support Team) when:

- School have informed parents of their concerns regarding attendance
- School have attempted to employ appropriate strategies in order to improve attendance
- School strategies have failed to achieve the required amount of improvement in attendance OR parents refuse to engage with school support

In addition to the above, the Deputy Headteacher (PDSI) (or designated person) can discuss general attendance or case specific matters with the School Attendance Consultant. The purpose of such discussions would be to:

- Monitor progress towards targets, highlighting any concerns and identifying any action required
- To receive guidance on latest best practice
- To receive information about local and national trends and benchmarking
- To discuss whether current attendance policy and procedures are effective
- To discuss case-specific actions and receive advice on future actions

School System for Dealing with Concerns about Lateness and Absence

The school office is responsible for advising the PDSI Team of pupils who are persistently late or absent as issues arise.

The class teacher is also responsible for raising concerns about lateness or absence of class members to the PDSI team via CPOMS as issues arise.

In addition, the Headteacher will use electronic systems to monitor the attendance of individual pupils on a weekly basis.

Once concerns have been raised:

- School will send self-assessments to all parents on a termly/half termly basis in order to keep parents informed about attendance levels. These letters will indicate the following:

Green Letter = Good Attendance, Well done (100 to 96%)

Amber Letter = Attendance Below Target, Improvement Required (94.9 to 90%)

Red Letter = Red Alert, Pupil Progress at Risk (below 90%)

- An PDSI Team member (or designated person) will discuss the matter informally with the family (including the pupil)
- Parents and children, if appropriate, will be asked to agree to a parenting contract, or take part in attendance panels, which will include the setting of targets and will be reviewed regularly
- When persistent lateness is an issue and/or parents fail to follow procedures by not accompanying late arriving pupils into school to sign them in, this will be communicated to parents via letter or a meeting in school as appropriate
- If lateness/absence persists, and school procedures fail to promote the required level of improvement, the Headteacher will contact the Pupil Attendance Support Team who will attend meetings with the family and Headteacher as appropriate and help school determine whether any further interventions are required. These interventions will include consideration of the use of legal measures (penalty notices and prosecution)
- Incentive and reward schemes will be used for individual pupils, as appropriate.

Alternative Provision and Use of Directions

There are a range of reasons why pupils might be required to access educational provision at a venue other than their main school. The main reasons are listed below:

- Pupils who have been excluded, either for a fixed period (for more than 5 days) or permanently
- When a pupil is unable to access provision at their main school for medical reasons
- When a pupil is required to attend another venue for the purpose of improving behaviour; either on a temporary basis or with a view to making a permanent move to the alternative provision (managed move)

When a pupil is required to attend alternative provision in response to an exclusion, the governors of the main school must issue a written 'direction' or 'notice' informing all parents of the alternative provision which their child is required to attend.

Pupils Who Are Unable To Attend School for Medical Reasons

The introduction of statutory guidance on 1st September 2014 places much more emphasis on the role of governing bodies in ensuring that pupils with medical conditions are able to fully access education in the same way as other pupils. A key element of this responsibility is reducing the amount of time missed by these pupils; whether their condition is short or long term. The school will work with parents and other relevant professionals to minimise absence for reasons of ill health. This may be as a result of specific practices or resources used within school or by sourcing more appropriate provision at another establishment. When education is to be provided at an alternative location, this will always be done via the use of a direction or notice (please see the relevant section of this policy).

School System for Reintegrating Pupils Who Have Had Long Term Absence

When a pupil has been absent from school for an extended period, the Headteacher, the class teacher and other support services will liaise with the family to ensure that a smooth reintegration is achieved.

Communication of Attendance Policy and Procedure

It is important that the school's policy on attendance is communicated to all the stakeholders and that parents, pupils and staff know the procedures and systems that are in place to implement it.

The governors have determined that:

- The attendance policy will be placed on the school website
- Details of the policy and the procedure for requesting absence in term time, and signing in and out of school will be disseminated as part of the new parent induction process e.g. induction package, talks to new parents
- Reference to the school attendance policy regarding leave during term time is to be made clear when the school calendar of dates is sent out each year
- Summary of responsibilities under the attendance policy will be contained in the home/school agreement
- Staff responsibilities will be contained in the staff handbook
- The Headteacher will ensure that staff receive training regarding their responsibilities in relation to the attendance policy and procedures
- The Headteacher will provide a summary of attendance and causes for concern to the governors during termly meetings
- Details of the absence record of the school will be communicated as part of the school profile/prospectus
- Attendance and punctuality will be included in newsletters on a regular basis
- Attendance will be reported to parents termly via attendance traffic light letters and annually via the end of year report which will include a certificate of attendance, where applicable
