

## **Intervention**

**At Brookfield School many pupils arrive with various needs or gaps in learning.**

**We support all pupils' individual needs in many different ways and use a number of intervention methods. These are often identified within a pupil's EHCP, but may also be offered in response to a particular behaviour or as a result of assessment.**

**Interventions are offered at KS3 and KS4 and cover areas listed in the link:**

Emotional Literacy - ELSA

Behavioural support

Social Skills Development

Sensory Support

Anger Management

Managing Anxiety Levels

Attachment disorders – Tight Team

Speech and Language - group or individual

Poor Literacy or Numeracy Acquisition – Lexia, Phonics

Poor Working Memory

Auditory Processing Disorder – embedded through teaching approach
