

## Provider Access Policy

### Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42A of the Education Act 2011.

### Experiences

All pupils by the time they leave Brookfield school will have had the opportunity:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- To understand how to make applications for the full range of academic and technical courses.

### Management of provider access requests procedure

A provider wishing to request access should contact:

Kane Clelland or Leon Pinch

### Opportunities for access

A number of events are organised through the school careers programme, the programme offers providers an opportunity to come into school to speak to pupils and/or their parents/carers.

Career's Events are held throughout the academic year.

Students will have the opportunity to attend work place visits to gain a greater understanding in various industries and will learn about Labour market information.

Transition visits will take place with students in preparation for Post 16.
